Join us for our monthly Geriatrics Lunchtime Learning Series designed to promote interdisciplinary teams and quality care for geriatric patients. Target audience for this activity includes physicians in primary care and all specialties, nurses, dietitians, social workers, pharmacists, and all other interested health care professionals.

Objectives: At the conclusion of this program, participants should be able to

- Learn which patient populations are at greatest risk for delirium
- Choose proper evaluation methods to assess and diagnose delirium
- Identify the potential causes and contributing factors of delirium in a delirious patient
- Choose appropriate pharmacologic and non-pharmacologic methods for managing delirium in older adults

Disclosure: Information concerning faculty, speaker and planning committee relationships will be available on site and disclosed to the audience from the podium. The presenter has disclosed that no commercial relationships exist.

ACCREDITATION

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by The West Virginia Geriatrics Society and CAMC Health Education and Research Institute. CAMC Health Education and Research Institute is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians- CAMC Health Education and Research Institute's CME program is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians. CAMC Health Education and Research Institute designates this live activity for a maximum of 1 *AMA PR Category I credit(s)*™. Physicians should only claim credit commensurate with the extent of their participation in this activity.
