Join us for our monthly Geriatrics Lunchtime Learning Series designed to promote interdisciplinary teams and quality care for geriatric patients. Target audience for this activity includes physicians in primary care and all specialties, nurses, dietitians, social workers, pharmacists, and all other interested health care professionals.

Objectives: At the conclusion of this program, participants should be able to

- Describe the mechanism of action of proton pump inhibitors
- Recall current therapeutic uses of PPIs
- Discuss current safety considerations associated with PPI use
- Appraise newly available literature surrounding the safety of PPIs
- Discuss the results of a retrospective chart review evaluating the frequency of PPI continuation at hospital discharge

Disclosure: Information concerning faculty, speaker and planning committee relationships will be available on site and disclosed to the audience from the podium. The presenter has disclosed that no commercial relationships exist.

ACCREDITATION

JOINTLY ACCREDITED PROVIDER*
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by The West Virginia Geriatrics Society and CAMC Health Education and Research Institute. CAMC Health Education and Research Institute is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians- CAMC Health Education and Research Institute's CME program is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians. CAMC Health Education and Research Institute designates this live activity for a maximum of 1 *AMA PRA Category I credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in this activity.

Pharmacy – The CAMC Health Education and Research Institute is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This knowledge based RSS activity provides **1.0 contact Hours (JA0006133-9999-18-022-L04-P)**. To receive credit participants must complete the sign-in sheet, attend each session and complete an evaluation. ACPE credits will be posted to the CPE Monitor within six (6) weeks following the activity.

Nurses- The CAMC Health Education and Research Institute is an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This offering has been approved for 1 contact hours. Expiration date is 2 years from the course date (**ANCC-JAA0026-20-18-314**)

Dietitians- This program has been submitted for 1 CPE hour by the Commission on Dietetic Registration, the credentialing agency for the American Dietetic Association.
