WHAT IS WVGS?

The West Virginia Geriatrics Society is a state affiliate of the American Geriatrics Society and works to improve the care of older adults through interdisciplinary professional teamwork, education, advocacy and public policy.

WHAT ARE THE GOALS OF WVGS?

- Develop, support and promote the interdisciplinary practice of geriatrics.
- Increase the number of physicians and other practitioners who are knowledgeable about geriatrics and committed to the clinical care of older adults in West Virginia.
- Engage in public policy efforts to improve health care for older adults in West Virginia.
- Promote interdisciplinary, competency-based education to improve the ability of practitioners to meet the health related needs of older adults.
- Foster and encourage patient outcome oriented research and its dissemination, in order to promote evidence based practice.

WHO SHOULD JOIN?

Membership is open to individuals or institutions that want to network with others interested in the health and wellbeing of older West Virginians and receive timely information and resources on current trends and activities in geriatrics both in West Virginia and nationwide.
